To: All AMR Contra Costa County Personnel

RE: Star of Life Nomination

We are very pleased and honored to announce that Paramedic FTO Dubravka Frost has been selected as an AMR National Star of Life. We could not be happier to see Dubravka receive national recognition. Dubravka is a mentor to many personnel within the operation. She has a true passion for EMS and cares for her peers and the citizens we are called to serve. Please join us in congratulating Dubravka on this accomplishment.

Dubravka will have the opportunity to travel to Washington DC in a couple of months with the other National Star of Life recipients to receive the national recognition.

Sincerely,

The AMR Contra Costa Leadership team,

Chad Newland, Regional Director  
Scott Newlin, Operations Manager  
Kyle West, Deputy Operations Manager  
Troy Vincent, Clinical Manager  
Joe Drago, Air Program Director
