

Dispatch Requirements for 9-1-1 Resources

I. Purpose

This policy establishes approved Medical Priority Dispatch System™ (MPDS) response and mode assignments for use by authorized Emergency Medical Dispatch (EMD) Centers in Contra Costa County.

II. Non-Accredited EMD Centers

- A. EMD Centers shall dispatch EMS resources to medical emergencies and manage their response in accordance with the response levels established by this policy.
- B. First responder and ambulance resources shall comply with instructions from the authorized EMD Center to upgrade, cancel, or reduce their response mode.
- C. Below is the Contra Costa County EMS approved MPDS response and mode assignment matrix for use by authorized unaccredited EMD Centers (changes to minimum requirements require approval of the LEMSA Medical Director):

MPDS CARD	Protocol	Dispatch Levels	First Responder Minimum Response Requirement	ALS Ambulance Minimum Response Requirement
1	Abdominal pain/problems	A	No response	No lights and siren
		C, D	Lights and siren	Lights and siren
2	Allergies/Envenomation	A	No response	No lights and siren
		B, C, D, E	Lights and siren	Lights and siren
3	Animal bite or attack	A	No response	No lights and siren
		B, D	Lights and siren	Lights and siren
4	Assault/Sexual assault	A	No response	No lights and siren
		B, D	Lights and siren	Lights and siren
5	Back pain	A	No response	No lights and siren
		C, D	Lights and siren	Lights and siren
6	Breathing Problems	C, D, E	Lights and siren	Lights and siren
7	Burns/Explosions	A	No response	No lights and siren
		B, C, D, E	Lights and siren	Lights and siren
8	Carbon monoxide/ Inhalation/Hazmat/CBRN	B, C, D	Lights and siren	Lights and siren
9	Cardiac or respiratory arrest or death	B, D, E	Lights and siren	Lights and siren
10	Chest pain	A	No response	No lights and siren
		C, D	Lights and siren	Lights and siren

Standard Policies Policy 3003

Dispatch Requirements for 9-1-1 Resources

MPDS CARD	Protocol	Dispatch Levels	First Responder Minimum Response Requirement	ALS Ambulance Minimum Response Requirement
11	Choking	A	No response	No lights and siren
		D, E	Lights and siren	Lights and siren
12	Convulsions/Seizures	A, B, C, D	Lights and siren	Lights and siren
