MEMORANDUM

No. 22-MEMO-003

TO: Lewis Broschard, Fire Chief

FROM: Senai Kidane, CCCEMSA Medical Director *S.K.*

DATE: January 11, 2022

SUBJECT: Temporary authorization to Pend Code 2 5150 Calls

Chief Broschard,

I am in receipt of your request to: *"...pend code 2 requests for 5150 transports for 30 minutes when the system is at level 5 or below. Each pending request would have its own timer and if the 30 minutes expire while still at a low level event an ambulance would be assigned to the call"*.

I am approving this request through February 1, 2022 and reserve the right to rescind earlier if warranted. Please assure these calls are tracked and that pended calls include only code 2 non-medical requests for 5150 transport.
